Objective

The Equipment Times Awards – India's First Global Construction Equipment Awards will honor the OEMs in the Construction Equipment industry on a global platform for their exceptional enterprise – both at home and beyond their own borders.

About

A groundbreaking concept in the Indian Construction Equipment sector, the inaugural edition of **EQUIPMENT TIMES AWARDS** will celebrate the assiduous effort of the Construction Equipment manufacturers in different categories. The label seeks to set this platform as one of the global coveted performance scores for the Construction Equipment industry. To appraise the diversity in this field professionally, the **Equipment Times Awards** breaks down into several categories for India and International.

The Equipment Times Award is being conceptualized by the brand Equipment Times, a dedicated construction and equipment magazine to catalyze the Spirit of Innovation in the Construction and Mining Equipment space by recognizing and honoring the Original Equipment Manufacturers (OEM) at an international stage, an award space never penetrated by any from India.
